if a man does not keep pace
with his companions,
perhaps it is because
he hears a different drummer.
let him step to the music
which he hears,
however measured or far away.

1776 1976

By coincidence this Stoughton High graduating class has the distinction of graduation on the anniversary of the 200th birthday of the nation.

It would be presumptuous to compare ourselves with the colonists whose fight for liberty gave us the Declaration of Independance, the Constitution, and the Bill of Rights.

But we can hope that our legacy to the succeeding classes will be in some ways as inspirational as those great gifts given to America by our revolutionary forefathers.

The world which confronted the individual of 1776 presented a challenge. The success of the Revolution wasn't the result of a few whose names have long since been forgotten.

No matter how little they contributed, their efforts individually and collectively not only resulted in a better world for them, but made it possible for those who came after to find the opportunities for a better life.

And in 1976, we are the descendants of those who benefitted from the efforts of the unsung hero of 1776.

Most of us will not go down in history books, but it is our sincere hope that our indivdual and collective efforts will make this a world so full of all those things we cherish, that those who come after us in the TriCentennial, 100 years hence, will benefit from our efforts.

To that ideal, in this the year of the BiCentennial, we dedicate the 1976 Stotonian.

Homecoming
October 25, 1975

Homecoming has been a traditional part of Stoughton High for the past seven years. It gives the faculty and students a chance to come together and share in a mutual project.

To The Class Of 1976,

I would like to thank the "Class of '76" for all it has done to make my four years at Stoughton High School a pleasant and memorable experience.

While working closely with you as an advisor, I was rewarded with the many friendships that developed between us and with the pleasure and satisfaction that I experienced while watching you develop into mature young adults.

As you leave the environment of Stoughton High School, I am confident that you will be able to adjust to whatever environment you choose. You are an enthusiastic and responsible goup of people. These attributes were important to the success of your class functions and will be integral in your individual successes in the future.

I sincerely hope that our good memories will serve as a strong foundation on which you will build a life rich with success, happiness, and personal satisfaction.

MR. LEONARD CIDADO

To Mr. Cidado,

The Class of '76 would like to express special gratitude to our own Mr. Cidado. Throughout the past four years, Mr. Cidado's guidance has influenced our growth as individuals and as a class. His involvement and dedication has taught us the value of unity and the meaning of pride.

Words alone cannot express the thanks you have earned. We will remember you always . . .

Honor those who are dead and gone with remembrance, not with tears . . .
(From St. Chrysostom: Commentaries)

THERESA DOHERTY

She passed away like morning dew
Before the sun was high;
So brief her time, she scarcely knew
The meaning of a sigh.
(Hartley Coleridge, **Early Death**)

RAY NICKERSON

The time you won your town the race
We chaired you through the market-place
Man and boy stood cheering by,
And home we brought you shoulders high.
. . .
Now you will not swell the rout
Of lads that wore their honors out,
Runners who renown outran
And the name died before the man.

Presenting the Year That Was 1975-76

Mrs. Dambrauskas observes Arnice Callender's art work.

Happy hour in French I with Mr. Santoro.

September 1975 presented a typical scene at Stoughton High. The freshmen were bewildered by the "big" building, the sophomores put on sophisticated airs, the jolly juniors thrived on their first encounter with electives, and the seniors screamed as usual for senior privileges, whatever they were . . . The FBI captured heiress Patty Hearst, climaxing a 19-month search which began with her abduction by the Symbionese Liberation Army . . . Two assassination attempts, both by women and both in California, on the life of Pres. Gerald Ford caused serious concern for the President's Safety . . . Fighting between Moslems and Christians erupted in Lebanon . . . Egypt and Israel signed an interim agreement on the Sinai . . . Oil prices were raised again . . .

Captain Robert Ivaldi led the soccer team to a victorious year. Eight wins, five losses, and three ties, is certainly a commendable record.

With the loss of only two seniors, next year's team should be a strong competitor.

FIELD HOCKEY

An empty locker room ... unused equipment ... repeated pleas from Dr. Sperandio and Coach Batchelder for girl athletes ... an 0-16 record.

This was field hockey, 1975. A disappointing season one would conclude, but the determination shown by the girls goes unrewarded. When other kids would have quit, they kept on going. Playing in games with no spectators for support, knowing there were no replacements when you were too tired to run, and then the pain of accepting yet another loss.

The season was finished and equipment stored away in hopes of a better record next year. But how can you look into the future, when there might not be one there . . .

In order to provide full and regular support at hockey and soccer games, a second cheerleading squad has been formed. Both groups are advised by Miss Kathleen Crimmins, a new appointee. The cheerleaders were pleased with their mammoth rally which was a well-attended and powerful voluntary event. The annual Cheerleaders Dance kicked off the SHS social season and succeeded financially.

FOOTBALL

Stoughton enjoyed a very good season as the varsity won the Hockomock League title with a 7-0-1 record in league play.

Coach Jerry Cullen said before the season, "We will surprise a lot of people." Stoughton certainly did; most observers expected them to finish in the middle of the pack.

Randolph 14, Stoughton 7

The Knights suffered this disappointing loss in a tie-breaker, as the game was tied after regulation time.

Stoughton 14, Mansfield 7

Jim O'Neill tossed a touchdown pass to John Peterson with ten seconds left to clinch this win.

Stoughton 13, Oliver Ames 0

Chuck Vuytowecz The Knight defense stopped OA completely as Bucklin and Steve Kelly scored for SHS.

Stoughton 20, North Attleboro 14

Chuck Vuytowecz scored two touchdowns and passed for another to be named "Player of the Week". The win was a big upset as the Knights defeated the two-time Division 3 champions.

Stoughton 24, Sharon 7

O'Neill completed 13 of 18 passes for 224 yards to lead the Knights over the Eagles.

Stoughton 29, Foxboro 0

Homecoming Day was celebrated in a downpour, but SHS wasn't all wet as they routed the Warriors.

Taunton 25, Stoughton 22

The Knights came back from a 25-14 deficit, and had a chance to win with a minute left, but an interception cost Stoughton its second loss.

Stoughton 41, King Philip 13

KP's Homecoming Day was ruined as the Knights bombarded them. Vuytowecz scored on a kick return of 85 yards and a run of 63.

Stoughton 42, Franklin 0

The Knights clinched the league title, led by Vuytowecz, who scored 36 points and rushed for 145 yards. Once again, he was "Player of the Week."

Stoughton 0, Canton 0

The 50th Thanksgiving Day game was played in a cold, windy rainstorm that caused funbles. A fumble at the Canton one cost the Knights the win with 20 seconds left.

"Blast from the Past," the Student Council's annual Fifties Dance was held on Oct. 11.

Roaring sounds of the Fifties echoed through the Cafe to the music of "Dale and the Duds," who provided a real 50s atmosphere for those who attempted such dances as the Twist, Stroll, and the Bunny Hop.

At the end of a fun-filled evening, the following prizes were awarded: Best Dancers, Dave Pope and Maureen Lynch; Greasiest, John Baptista; Most Original, Ken Horn and Diane Driscoll; Teen Angel, Eric Bradbury; Betty Lou Award, Tricia Kelleher.

StuC took over the concession stand during the football season. Members were responsible for setting up, selling, and cleaning up after each football game.

NOVEMBER NOTES ... Investigations: FBI came under attack for aiding cover-up; Possible conspiracy and cover-up of assassinations of previous decade (John and Robert Kennedy, Martin Luther King) were re-examined ... **International:** Death of Franco (dictator of Spain for 40 years) brought king to that country; Lebanon wracked by warfare betwen Moslems and Christians; Detente (calling for co-existence with Russia) came under fire as U.S. policy; Angola (African country freed from Portugese control after centuries) became next conflict area as outside powers poured in men, munitions and money to three groups fighting to take over; Controversy erupted over Arab resolution at U.N. in attempt to discredit Israel by equating Zionism with Racism.

The league champion Knights placed six players on the Hockomock League All-Star Team. Three seniors were named: Chuck Vuytowecz at running back, Phil Clough as a tight end, and at defensive guard, Mike Driscoll. The three juniors who made the squad included Jim O'Neill at quarterback, defensive guard, Jerry Galizio, and Mike Cogran at linebacker. The Stoughton representatives were the most for any team in the league.

The Junior Varsity won the league title for the second year in a row with an impressive 8-0-1 record. Come-from-behind wins against Mansfield and Foxboro and a defense that racked up four shutouts and gave up only 42 points highlighted the year.

"Get off my back"

The freshmen were disappointed in 1975 as they could only win one out of eight games. Their only win came against Oliver Ames, when Mark Agostini's 60-yard run set up David Ireland's touchdown run. Their offense just couldn't get going as they were shut out four times.

Stoughton garnered its first winter track championship in history with a great 1975-76 season. Coach Charles Green's team swept through the league schedule, assuring the title with a dramatic 48-38 win over Franklin. The win was not decided until the last race and was a sort of revenge, as the Warriors thwarted many Knight title threats in the past few years. The year was capped off by a first place finish in the Hockomock League Meet.

The varsity basketball team rebounded to make the Eastern Massachusetts post-season tournament after a year's absence. Coach Don Edmonston's squad finished with a 12-6 mark, 11-5 in the Hockomock League. That was good for fourth-place, just one game behind the second-place finishers.

In the state tournament, SHS lost in the opening round to Boston English, last year's Division I State titleholders.

The girls' varsity basketball team was predicted to be a winner and they set out to prove just that.

Ending the season with an 11-6 overall record, the team finished fourth in the standings, but the record doesn't show the games that were lost by one, two and three points.

Stoughton had a strong team this year. They always managed to beat highly favored clubs and stay within easy reach of first and second place. Led by the high scoring Mary Diggs, named to the All-Star team, Stoughton always managed to come through in the clutch.

Continued success is the way to describe the hockey season. The icemen made the tournament for the third year in a row. Stoughton finished second behind champion Canton in the Hockomock Division of the Southeastern League. The Knights went into the tourney with an excellent 13-4-3 league record. There, they won two and lost one.

Hard work and discipline is finally paying off, for the girls gymnastics team has become a winner. After years of training, the effort and talent put forth can be seen by the girls when they perform.

Losing only three seniors, the team will be in contention for many years to come. The team has many underclassmen that provide hope for the future. Two gymnasts to watch are Loren Stolow and Terri Ott, both freshmen. Congratulations should just not be given to the team but also to Mrs. Michelle Foley who took a relatively new sport at SHS and turned it into a winner.

The STOTONIAN dedicates the Faculty section of the 1976 yearbook to Miss Rita Lavallee, who is retiring at the current year. Pert, vivacious Miss Lavallee came on the scene at Stoughton High just over 35 years ago, and during that period she has endeared herself to hundreds of Stoughton High French students and, in many cases, to their children. Most cooperative, she served as class and student council advisor for several years. Whether working at the concession stand at football games years ago (and getting "mustard on her nose") or guiding students through the intricasies of French vocabulary and grammar, she has been very much a part of the SHS scene. On behalf of her students, present and past, the STOTONIAN extends the deep gratitude of the Stoughton family for her years of service, and wishes great joy in many years of retirement doing those things she likes best to MISS RITA LAVALLEE . . .

STOUGHTON SCHOOL

COMMITTEE

To the Class of 1976:

It is my distinct pleasure, as the representative of the School Committee, to extend to each and every member of the Class of '76 sincere congratulations and best wishes of our Committee as well as the people of Stoughton.

You are a unique class in many ways. Your graduation from high school occurs in the year of our Bicentennial Anniversary — a year in which it is hoped that the "Spirit of '76," upon which this nation was founded, can once again be rekindled and made to glow as brightly as it did two hundred years ago.

We of an older generation look with hope the the new generation — your generation — in the hope that the spark which will once again relight the lamp of the human spirit will be ignited by you and other young people of today to once again demonstrate that the "Spirit of '76" lives on in the hearts and minds of our young.

Indeed, the words of President John F. Kennedy — "the torch has been passed to a new generation . . . " have such special significance at this very special moment in our nation's history.

I urge each of you to firmly grasp that torch, accept the burden that is thrust upon you and your generation, and in your individual lives carry with you always the true "Spirit of '76."

May each of you find peace, happiness, and serenity in the years that lie ahead, and, remember, that one day in the future it will become your duty to pass that torch to yet another generation, "and the glow from that fire can truly light the world."

Sincerely,
Richard T. Murphy
Richard T. Murphy, Chairman
Stoughton School Committee

JOSEPH H. GIBBONS
SUPERINTENDENT

To the Class of 1976:

It is a pleasure for me to extend my congratulations and best wishes to the members of the Class of 1976 as you complete your studies at Stoughton High School in this Bicentennial Year and the 250th Anniversary of the Town of Stoughton.

I hope that your experiences in our public schools will enable you to competently carry on your future responsibilities. We have endeavored to produce knowledgeable, clear thinking, competent, future citizens. Society looks to you for action based on ethical principles that distinguishes between right and wrong. Our nation's greatness continues to thrust it into world leadership. The people of the world will look to you to show the way for freedom.

As future citizens, you must see others as individuals of dignity and worth. I hope that you have developed an understanding and a deep appreciation of equality and a firm sense of righteousness. Your success will be measured by your self-motivation, for talent without motivation is inert and of little use. Accept the challenge and your efforts and aspirations will bear rich fruit.

In conclusion, remember always to be grateful to your parents for their sacrifices in your behalf. You will be successful if you participate with enthusiasm and perseverance, with a desire to excel. Go forth and assume your proper place in our democratic society with vigor and dedication. My sincerest wish is for your future happiness and success. Godspeed and good luck for a rich and fruitful life.

Sincerely,
Joseph H. Gibbons
Joseph H. Gibbons

PETER J. SPERANDIO, Ed. D.
PRINCIPAL

TO THE CLASS OF 1976

Congratulations. You have now successfully completed a milestone in your lives. I hope that we have given you a fair measure of an understanding of the real values in life.

In spite of the problems of our present economic world, we do have much to be thankful for. We have shortages of material things but certainly enough to live by. We have to make some sacrifices but we are really not in despair. So look ahead to the challenges for which we hope you are prepared, to challenges we hope you can achieve, and to challenges we hope that are satisfying to you.

In this the year of our Bicentennial, we can look back over 200 years of a glorious history of the development of this nation. You can recall the great leaders of our country. You know that they suffered greatly and weathered many storms in order that they might succeed. But succeed they did. You too can make your contribution. It is not a question of what you can gain but what you can give. With effort you can succeed and with more determination you can be outstanding.

I sincerely hope that you will accept the challenges, buffet the storms, be grateful for your successes, and you too will make your mark.

Sincerely,
Peter J. Sperandio

FRANK AND FRY SUPPER

December 6, 1975

Bill Flaherty and Linda Sacramona serve an anxious group their franks and fries

Miss Kathleen Crimmins, '78 advisor, advises Bob Flaherty to get to work

A hungry customer can hardly wait to dig in as Margaret Sano, class treasurer, serves the dogs and fries.

A busy evening makes even the waitresses hungry, Kelly Lyons demonstrates.

Class of '77

ROLLER SKATING PARTY

January 24, 1976

Clockwise (starting below:) Patty Batte and Lynne Jardin form a train at the roller skating party. Dave Belliveau retires with aching feet. Bob Stack and Jane Burke enjoy an enjoyable afternoon of skating. Returning skates to the rental shop are Karen DeMello, Irene Jordan, and Donna DiStefano.

Mr. Tom Sullivan, former class advisor, talks to Miss Helen Lynch, current co-advisor, making her final appearance in her role (she left school in March)
